Recall Proponents Notified of Changes Required to Proposed Petition

Proponents have Ten Calendar Days to Change Proposed Petition and Submit Corrected Copies and New Proof of Publication in Newspaper of General Circulation to Secretary of State

SACRAMENTO --- Secretary of State Kevin Shelley today notified the proponents of the recall attempt against the Governor that their proposed petition does not comply with California election law, and of the changes required for compliance. Numerous changes as to the form and publication of the petition are necessary for compliance.

The proponents now have ten calendar days to submit to the Secretary of State two corrected copies of the proposed petition and a new proof of publication in a newspaper of general circulation. Upon receipt of the copies of the corrected petition and proof of publication, the Secretary of State has up to ten calendar days to review and either notify the proponent of changes required or approve the petition for circulation.
